Subject: Application for Full Stack Web Developer Position

Dear Hiring Manager,

I am writing to express my interest in the Full Stack Web Developer position at ABC Corporation, as advertised. With strong skills in HTML, CSS, JavaScript, React, Node.js, and MongoDB, I am confident in my ability to contribute effectively to your development team.

I have built several full-stack projects, including a Course Management System and a Gardening Community Platform, both featuring authentication, CRUD operations, and responsive design. My ability to deliver scalable and user-friendly web applications has been proven through consistent project success and positive user feedback.

Thank you for considering my application. I have attached my resume and portfolio for your review. I would appreciate the opportunity to discuss how I can bring value to your team.

Best regards,
